

Ets3 Knx Download Crack 111

The screenshot displays the ETS3 KNX software interface. On the left, a sidebar shows a green 'GROOM' button and a device card for 'MDT LED-Dimmer AKD-0224V'. The main area shows a 'Group Address profile' dropdown set to 'Function based'. Below this are buttons for 'Add Group Address', 'Refresh GA', 'Reset GA', and navigation arrows. A red trash icon is also present. The main list shows a tree structure: '0 CENTRAL' (expanded) containing '0/3 SCENES', and '1 LIGHTING' (expanded) containing '1/0 SWITCH' and '1/1 FEEDBACK switch'. Under '1/1 FEEDBACK switch', there are five entries: '1/1/1 -1, ENTRANCE Rooflamp STATUS', '1/1/2 -2, ENTRANCE Spotlights STATUS', '1/1/3 -3, ENTRANCE Spotlights STATUS' (highlighted), '1/1/4 -4, KITCHEN Rooflamp STATUS', and '1/1/5 -5, KITCHEN Spotlights STATUS'. A yellow arrow points to a 'download XML file' button in the top right corner.
